the € 60,000,000 Fifth Unsecured Subordinated Bonds Programme**

References herein to „the Base Prospectus“ shall, where applicable, be deemed to be references to the Base Prospectus as supplemented or amended from time to time.

This document constitutes the Final Terms of the Bonds described herein for the purposes of Article 8 of the Prospectus Regulation and must be read in conjunction with the Base Prospectus and any supplement thereto. MiFID II product governance / target market: solely for the purposes of each manufacturers’ product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU, as amended from time to time ("MiFID II") and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Bonds to retail clients are appropriate – investment advice, portfolio management and non-advised sales and pure execution services, subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Bonds (a "distributor") should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

The Offer of Bonds is directed to all natural and legal persons - institutional and retail investors, in Latvia, Lithuania and Estonia, irrespective of whether they qualify as qualified investors within the meaning of Article 2(e) of the Prospectus Regulation, and to persons - institutional investors only, located in the Member State of the EEA (other than Latvia, Lithuania and Estonia) who are qualified investors within the meaning of Article 2(e) of the Prospectus Regulation in each case pursuant to an exemption under Article 1(4) of the Prospectus Regulation.
